Logistics Processes and Motorways of the Sea II

in Armenia, Azerbaijan, Georgia, Kazakhstan, Kyrgyzstan, Moldova,
Tajikistan, Turkmenistan, Ukraine, Uzbekistan

Final Report – Additional Materials

Agenda for the Multimodal Expert Group

September 2014

This project is funded by
The European Union

A project implemented by
Egis International / Dornier Consulting

Expert Group / Event

Proposed Title	Multimodal Expert Group
Planned Starting Date	10/2014 – three one day events, including training
Planned Lifecycle	1 year (result: support to sustainable implementation of LOGMOS Master Plan)
<p>The aim of the Multimodal Expert Group is to contribute to and facilitate human resource development and the implementation of an efficient, sustainable, integrated intermodal transportation system following the recommendation of the LOGMOS Master Plan. The Group also aims to promote and facilitate best practice and advanced technologies in transportation and related trading activities in the TRACECA Region.</p>	
Proposed Agenda for the meetings	
Meeting 1	<ul style="list-style-type: none"> • Public support for the creation of logistics centres/logistics platform with the features mentioned in the LOGMOS Master Plan (pp. 77ff) and the corresponding Annex 7 to the Master Plan. • Role public authorities in creating the appropriate framework and conditions, and in promoting the development of such logistics infrastructure. • Public participation in land acquisition and preparation of the development areas for future private logistics operators.
Meeting 2	<ul style="list-style-type: none"> • Showing Best practice in Europe and instruments to promote further implementation of LOGMOS pilot projects related to international logistics centres. • The role of public authorities at all levels for establishment of logistics centres including land acquisition and proper access to national transportation networks; • Coordinated activities of all public services involved in cross border trade and transportation for operation of the logistics platform.

Logistics Processes and Motorways of the Sea II

Meeting 3	<p>Case study</p> <p>The Silk Wind block train which involves most TRACECA countries directly or indirectly could be used as a show case and pilot project for the implementation of best practices in trade facilitation and multimodal operations:</p> <ul style="list-style-type: none">• data exchange;• block train and liner shipping (rail-ferry, Ro-Ro, container vessel) operations;• cross border pre-arrival information / e-maritime systems;• coordinated implementation of Single window and Economic operator concepts;• Port Community Systems;• Harmonization of cross border procedures and required documents.
Target Countries / Regions	10 IDEA 2 Beneficiary Countries
Target Experts	<ul style="list-style-type: none">• Strategic planners in Ministries of Transport, Ministries of Economy and Finance, Customs• Selected Investment Experts in Agencies (Railway, Maritime, Road)• Logistics sectoral experts
Responsible IDEA Key Expert	<p>Detlef Pulsack Skype: dpulsack Email: dpulsack@gmail.com / pulsack@trt.it Mobile: +380 99 00 28654 / +49 170 419 2229</p>

Notes

- List of potential logistics experts to be involved in work of the expert group provided to the IDEA II team with the contact details (telephone numbers, emails).
- The list included in this form contains only basic participant data (Name, Position, Organisation) in view of personal data protection reasons.
- The key qualifications of the experts are pointed out too.
- It is recommended to invite mainly one candidate per country bearing in mind the agenda of each meeting.
- The expert group may also include the members of the IDEA II project prioritisation expert group to assure inclusion of logistics modal/non-linear infrastructure into the priority project list.
- It is recommended that activities of experts in countries are coordinated by major national counterparts of the EU projects at the Ministries responsible for transport policy.
- Confirmation of participating experts as per availability.

Timeline for the events

- Events are planned for 1 day –x/2014, x/2015, x/2015

List of Experts

(participated in the investment expert group, who could also contribute to the multimodal expert group)

Country	Name	Last name	Position
Azerbaijan	Arif	Abdulazizov	Head of Department, Finance and Invest, MoT
Armenia	Karen	Badalyan	Deputy director state entity "Transport PIU" at MoTC
Georgia	Ketevan	Takaishvili	Head of Transport Corridor Development Division, Transport Policy Department
Kazakhstan	Aset	Abdrakhanov	Senior Expert, International Cooperation Department, Ministry of Investment and Development
Kazakhstan	Botagoz	Vaissova	Head of PPP-Department, Ministry of Investment and Development
