

# TOOLBOX FOR LEGAL HARMONISATION Legal Experts Group

IDEA II

Chisinau, 05.06.2014

# Work-shop in Kiev, 10/12/2013

The objectives of the workshop were as follows:

- Set-up the legal expert group (LEG)
- Presentation of the concept of a National Focal Points and Expert Groups
- Reach a common understanding on legal harmonisation
- Introductory analysis - from global to regional international law
- Core case: Methodology on Legal harmonisation – some techniques and means for legal harmonisation
- Training Needs Assessment

# Concept of LEG and training

- to achieve **tangible results** in ownership transfer and capacity building;
- to **support** the legal harmonisation and **raise awareness** of stakeholders;
- to **exchange experiences** on alignment of legislation between the TRACECA countries

# Training programme

**Module 1:** Regulatory Impact Assessment (RIA)

**Module 2:** Methodology for legal approximation/ harmonisation

**Module 3:** Transport solutions addressing non-physical obstacles to transport

**Module 4:** Transport infrastructure and Public-Private Partnership

**Module 5:** Interoperability of transport networks

# Training sessions

- Classroom or web-based sessions;
- The training sessions deals with theoretical issues and sharing experience;
- Each one training session – classroom or web-based, shall have its own detailed agenda
- Between sessions the participants shall implement respective part of the fundamental toolbox on legal harmonisation/approximation in his/her concrete country environment.

# Approach - dual track of actions

- **Vertical direction**: the border crossing, dialogue and interoperability legislation - respective part of international conventions and agreements and *aquis communautaire*;
- **Horizontal direction**: European Neighbourhood countries and Central Asian countries
