

Secretary General  
of the Intergovernmental Commission  
of TRACECA  
Mr. M. Ciopraga

Dear Secretary General!

On behalf of the Ministry of Infrastructure of Ukraine, let me address with the following.

Along with this letter we are forwarding you the reservation of Ukraine to paragraph 10.1 of the Final Resolutions of the Thirteenth Meeting of the Intergovernmental Commission (hereinafter – the IGC) of TRACECA (March 5-6, 2018, Yerevan, Republic of Armenia):

«Ukraine noted that the provisions of the audit reports for 2016 and 2017 contradict each other for the same positions, in particular regarding to the approach of arranging meetings of the Working Groups and Annual Meetings of the IGC.

Moreover the reports contain the practical recommendations of auditors on the development of the Europe – the Caucasus – Asia corridor, which does not comply with the competence of auditors and is not their tasks and functions in the audit process».

At the same time, following the results of the Thirteenth Meeting IGC TRACECA, we ask you to send the draft budget for 2018 as soon as possible, with the proposals, forwarded during the meeting for its approval in the written form in the nearest future.

Regards

Deputy Minister  
for European integration -  
National Secretary  
IGC TRACECA in Ukraine
